

CREATING A ROAD MAP FOR YOUR FUTURE

## **Introduction - Karen Jacobsen - The GPS Girl®**

You have heard our Speaker's voice in over **7 billion devices** giving directions in GPS devices worldwide, and as the original Australian "Siri" in iPhones.

She is an award winning Singer and Songwriter, Author of two books, and Harry Connick Jr called her "hypnotic" on his national talk show.

When she is not telling people where to go, she is watching a documentary or planning her next trip to visit her college age son.

After 20 years in New York City and now based in North Queensland's Whitsundays, Please join me in welcoming, Speaker, Author and - the "ONLY WOMAN men will take directions from" -

**The GPS Girl® - Karen Jacobsen.**
